

Physical Therapist

We are expanding our staff and actively seeking a licensed Physical Therapist to add to our team. We are a private practice located in Tuscaloosa, AL, and clinician owned. Ownership opportunities are available.

The Physical Therapist's primary function is to perform physical therapy evaluations, treatments, and any related services. Physical Therapist must also be able to supervise LPTA's, PT technicians, and student interns. Physical Therapist must be licensed by state of Alabama, or be eligible, be able to work effectively in a fast paced environment, be able to communicate in a friendly and professional manner with patients, family members, and other staff. Exceptional written and verbal skills are a must. The Physical Therapist must comply with company policies, state and federal laws, and Alabama PT board regulations. Previous physical therapy experience in an outpatient orthopedic setting is desired but not required. New graduates are encouraged to apply.
